

Participant / Volunteer Waiver for the Pitcairn Island Marathon on 16 July 2027 (Trip July 13 - July 20, 2027)

I know that running or volunteering for a road race is a potentially hazardous activity, which could cause injury or death.

I will not enter and participate unless I am medically able and properly trained and, by my signature, I certify that I am medically able to perform in this event and that I am in good health while being properly trained.

I am aware that there will be no ambulance, doctor, medical services or traffic marshals at the race. A medical emergency on Pitcairn can result in the need for medical evacuation. All participants of the marathon are required to have medical travel insurance with evacuation insurance, and with my signature, I certify that I possess such insurance.

I agree to abide by any decision of a race official relative to any aspect of my participation in this event, including the right of any official to deny or suspend my participation for any reason whatsoever.

I attest that I have read the rules of the race stipulated on the website and in emails, WhatsApp, and Facebook regarding the Pitcairn Island Marathon and agree to abide by them.

I assume all risks associated with running in this event, including but not limited to falls, contact with other participants, the effects of the weather, including high heat and/or humidity, traffic, and the conditions of the road, all such risks being known and appreciated by me.

I understand that bicycles, skateboards, roller skates or roller blades, scooters, animals, and personal music players are not allowed in the race, and I will abide by all race rules.

If I am injured or taken ill or otherwise suffer any detriment whatsoever I hereby irrevocably authorize the event officials and organizers, at my risk and cost, to transport me to a medical facility and / or to administer emergency medical treatment and I waive all claims that might result from such transport and / or treatment or delay or deficiency therein and shall pay or reimburse to you my medical and emergency expenses and I hereby authorize you to incur the same and shall provide to race officials such medical data relating to me as they may request. I agree that nothing herein shall oblige the event officials or organizers or any other person to incur any expenses or to provide any transport or treatment.

Having read this waiver and knowing these facts I, for myself and my heirs, executors or anyone other entitled to act on my behalf hereby waive, release and forever discharge the event organizers, sponsors, promoters, and each of their agents, representatives, successors and assigns, and all other persons and entities associated either directly or indirectly with the event from all claims, demands, costs, expenses, proceedings arising out of my participation in the event, even though that liability may arise out of negligence or carelessness on the part of the persons named in this waiver and I hereby indemnify them against all liability, including, but not limited to liability for and in respect of all injury, death, loss or damage, arising out of or connected with my participation in the event. For the purpose of this declaration, persons and entities associated with the event include, but are not limited to, event sponsors, race directors, political entities, authorities and officials, Marathon Globetrotters members, Marathon Globetrotters board members, TNT Marathons GmbH, the Pitcairn Island government, the Pitcairn Island officials, Silver Supporter officials and employees, marshals, and volunteers, and the race directors, employee agents and representatives of all, or/ and of the aforementioned.

Excluded are also any claims resulting in case of that the race will be stopped by any authorities or cancellation of the race.

I grant permission to all of the foregoing to use my photographs, videos, motion pictures, recordings or any other record of this event for any legitimate purpose.

Terms and Conditions:

All runners must sign a liability waiver form and submit it to the race director before the race. This is also a requirement of the Pitcairn Island council.

All runners must complete a minimum of 42.195 km on the lap course for the marathon to count.

Race numbers must be worn during the race.

Deviations from the course are not permitted, except for short breaks (refreshments, restroom use, etc.). The entire lap course must be completed, even if it seems long.

There will be a place to leave bags at the start area. Please label your bag with your name and race number. The race organizers assume no liability for items left behind.

In the event of a serious medical emergency, evacuation from the island might be necessary. Visitors to Pitcairn are responsible for covering the costs of any medical services that they receive before their departure from the island. ALL PARTICIPANTS MUST have travel insurance INCLUDING MEDICAL EVACUATION Insurance of at least US \$500,000. Evidence of such insurance must be supplied to the race director before departure to Pitcairn.

Wearing a GPS watch (Garmin, Apple, COROS, etc.) is mandatory for all runners during the race. Exceptions will be made for local runners only.

Since this is a very small race, last minute cancellations could jeopardize the race results for all other participants. Furthermore, voyage and airline tickets are pre-paid. Therefore, the **deposits, flight payments and final payments are not refundable**. However, if someone is willing to take your place and make the payments, then the deposit and final payment may be refundable. If you need to cancel for any reason after the final payment is made, you are responsible for finding a replacement if you wish to have a refund. Recognize that it might be impossible to replace a last-minute cancellation; this is a risk that you accept to bear as terms for registering for the Pitcairn Island Marathon, as payment for the Silver Supporter voyage and accommodations once booked need to be paid even in the event of a cancellation or no-show.

Some nationalities will require a Visa for French Polynesia (see Tour & Travel Information Page). For those who require a Visa for French Polynesia, please recognize that due to the small size of the race, you agree to accept the risk should your Visa application be denied and you are not able to travel. If your Visa is denied and you are not able to travel to French Polynesia or Pitcairn Island, **no refund of the deposit or final payment will be made**.

The race director has the final say on whether the terms and conditions have been met.

By registering for the Pitcairn Island Marathon, I agree to the Race Waiver and to the Terms and Conditions of the Pitcairn Island Marathon.
