PITCAIRN ISLAND MARATHON 2027

Race Participation & Liability Waiver

Marathon: July 16, 2027 | Pitcairn Island

This waiver applies specifically to participation in or volunteering for the Pitcairn Island Marathon. It is separate from the TNT Marathons GmbH Travel Terms & Conditions governing the associated travel package.

1. Acknowledgment and Assumption of Race Risks

I understand that running or volunteering for a road marathon is a potentially hazardous activity that may result in serious injury, illness, permanent disability or death. Pitcairn Island is exceptionally remote, and the event takes place in circumstances where ordinary emergency and medical resources may not be available.

I knowingly assume the ordinary and inherent risks associated with participation in the event, including, without limitation, falls; contact with other participants; road and terrain conditions; heat, humidity, rain and other weather conditions; dehydration and exhaustion; traffic and vehicles; animals; limited communications; delayed access to medical assistance; and the possibility that an emergency may require evacuation from Pitcairn Island.

2. Medical Fitness and Race Officials

I certify that I am medically able and properly trained to participate in the event and that I accept responsibility for determining my own fitness to participate. TNT Marathons, the race director and race officials do not undertake to determine my medical fitness.

I agree to comply with reasonable decisions of the race director and race officials concerning safety, race rules and my participation. A race official may deny, suspend or terminate my participation where reasonably considered necessary for safety, medical or race-rule reasons.

3. Medical Services and Mandatory Evacuation Insurance

I understand that there may be no ambulance, doctor, conventional emergency medical service or normal traffic-control infrastructure available at the race. A serious medical emergency may require evacuation from Pitcairn Island.

All non-local participants must maintain travel medical insurance providing coverage of at least US$500,000, including Medical Evacuation Insurance, and must provide evidence of the required coverage to TNT Marathons before departure for Pitcairn Island. Failure to provide satisfactory evidence may result in refusal of participation or travel where permitted by the applicable Travel Terms & Conditions.

4. Emergency Treatment and Evacuation

If I am injured, become ill or otherwise require emergency assistance, I authorize event officials and organizers, where reasonably practicable, to arrange emergency treatment, transportation or evacuation on my behalf.

I understand that I remain responsible for reasonable medical, transportation and evacuation costs not covered by my insurance, subject to applicable law. Nothing in this waiver creates an obligation for an event official, organizer, volunteer or other person to provide treatment or transportation beyond any obligation imposed by applicable law.

5. Race Rules

I agree to comply with the published race rules and reasonable race-day instructions. In particular:

- Runners must complete a minimum of 42.195 km on the designated course for the marathon to count.
- Race numbers must be worn during the race.
- Runners must follow the designated course. Short breaks for refreshments, restroom use or similar needs do not permit omission of any required portion of the course.
- A GPS watch or comparable GPS-enabled running device is mandatory for non-local runners.
- Bicycles, skateboards, roller skates or roller blades, scooters, animals and personal music players are not permitted during the race unless expressly authorized by the race director.

- Participants are responsible for personal property left at the start/finish or other event areas, to the extent permitted by applicable law.

6. Race Modification, Suspension or Cancellation

The race director, Pitcairn Island authorities or other competent authorities may modify the course, starting time, race procedures or other event arrangements, or may postpone, shorten, suspend or cancel the race, where reasonably necessary because of weather, safety, medical, governmental, transportation, operational or other circumstances affecting the safe or lawful conduct of the event.

The consequences of any such race modification or cancellation for the associated travel package are governed separately by the TNT Marathons GmbH Travel Terms & Conditions and applicable law. Nothing in this waiver waives any mandatory rights relating to the travel package.

7. Release and Limitation of Liability

To the fullest extent permitted by applicable law, I voluntarily assume the ordinary and inherent risks of participation in the Pitcairn Island Marathon and release the event organizers and persons associated with the conduct of the race from claims arising solely from those assumed ordinary and inherent risks.

For purposes of this waiver, persons associated with the event may include TNT Marathons GmbH, the race director and race officials, event volunteers, Marathon Globetrotters personnel involved with the event, event sponsors, the Pitcairn Island Government and officials, Pitcairn Island Tourism officials, and Silver Supporter personnel involved in race-related activities, in each case only to the extent permitted by applicable law.

Nothing in this waiver excludes, restricts or waives liability where such exclusion, restriction or waiver is prohibited by applicable law, including liability that cannot lawfully be excluded for injury to life, body or health, intentional misconduct, gross negligence, or other mandatory liability.

8. Photography and Recording

I grant TNT Marathons and the event organizers permission to photograph, film or otherwise record my participation in the event and to use such event photographs, video, motion pictures or recordings for legitimate event, informational, archival and promotional purposes, subject to applicable law.

9. Relationship to Travel Terms & Conditions

This Race Participation & Liability Waiver concerns the risks, rules and conduct of the Pitcairn Island Marathon itself. It does not replace the TNT Marathons GmbH Travel Terms & Conditions, does not establish the participant cancellation policy for the travel package, and does not waive any mandatory package-travel or other statutory rights.

10. Participant Declaration

I confirm that I have read and understood this Race Participation & Liability Waiver. I understand the remote nature of Pitcairn Island, the limited availability of medical services, the potential need for medical evacuation, the mandatory insurance requirement, and the inherent risks associated with participating in the marathon.

By signing below, I voluntarily agree to this waiver and to comply with the race rules and reasonable instructions of the race director and race officials.
